

Regional Open Space & Trails System Frequently Asked Questions Trail Access

1. Who is responsible for the managing and maintaining the trails?

- Routine maintenance on the urban trails is provided by the local governmental jurisdiction through which the trail traverses. Likewise, trails on the federal lands are maintained by the respective federal land management agency. Volunteer groups also assist the agencies on occasion to maintain trails.

2. What to do with trash on trails?

- Trail users should never knowingly litter or dump on the trails. Use only approved receptacles and/or waste disposal sites. If you see litter on the ground, pick it up and place it in the appropriate container and recycle whenever possible. In backcountry areas where trash receptacles may not be available, *Pack it In, Pack it Out!* Whatever you bring into a natural area should be with you when you leave.

3. How do I report suspicious activities?

- Please contact the following phone numbers:
- Emergencies – 911
- Non Emergencies – 311
- Crime Stoppers – (702) 385-5555
- Federal Bureau of Investigation - (702) 385-1281
- Graffiti Removal Hotline - (702) 455-4509

4. How do I report graffiti?

- Clark County cities each have their own departments responsible for graffiti clean-up. The following list of contacts may be used to report graffiti on your community's trails:
- City of North Las Vegas – (702) 633-1871
- City of Las Vegas – (702) 229-6615
- Clark County – (702) 455-4509
- Henderson – (702) 267-3220
- Mesquite – (702) 346-5262
- BLM – (702)515-5030
- Turn-In-A-Tagger program (702) 385-5555
- Graffiti in Progress - 911
